TOTAL: _____/75

72=95% 68=90% 64=85% 60=80% 57=75% 53=70% 49=65% 45=60%

PLUS ORAL / READING (35 puntos)

Evaluation of Speaking / Reading Proficiency

	1-4	5	6	7	8 - - 9	10
Fluency/ Impromptu accuracy		-what titles? -what photos? -Nothing to read. What am I talking about? -speech is halting -incomplete thoughts -barely comprehensible -trips over all words -pauses constantly	-No titles. -No info about photos; -frequent hesitation while reading; -somewhat comprehensible -trips over majority of words -lots of pauses -Did I really write this or just use the translator?	-Titles are read; -explanation is basic -some hesitation while reading but -manages to complete thoughts -generally comprehensible -has difficulty with uncommon words -Sounds like it is the first time reading this out loud	-Titles are used/glanced at; -Explanation of photos is sufficient; -continuous speech; -reading practiced a few times; -pauses occur but in natural way -readily comprehensible -stumbles rarely over uncommon words	-Excitement builds with titles -Impromptu introduction of photos/embellishments is well prepared; -speech flows without hesitation; -communicates well -shows a mastery of reading -clearly rehearsed -very few problems reading the text
Vocabulary /Ideas and content		-inadequate or inaccurate -reverts to English -not able to handle task	-limited -only able to handle portions of the task	A Sp 5 word or two -adequate to complete task with few additional details	-some Sp5 words -varied content -completes task with some additional detail about photos and embellishments	Copious Sp5 vocab; -extensive content -completes task -elaborates and provides relevant, interesting details
Pronunciation		-frequent errors -difficult to understand -lots of mispronunciation of vowel & consonant sounds	-errors lead to occasional problems with communication -frequent mispronunciation	-mostly intelligible -occasional misunderstandings -infrequent mispronunciation	-always intelligible -errors do not prevent Communication -a few words mispronounced	-intonation & pronunciation sound natural -no communication interference -advanced pronunciation
Accentuation		-very difficult to understand the meaning of the reading due to mispronunciation of accentuation -Native speaker would struggle to understand -SUPER GRINGO	-difficult to understand the meaning of the reading due to mispronunciation of accentuation -Native speaker struggles a little to understand -GRINGO	-hurts the ears of native speaker and causes them to cringe -native speaker gets the gist of reading	-no communication interference but still clearly gringo	-excellent use of proper accentuation -a native speaker would clearly understand.
