

I am not like you think – Ana Mena

Ohhhhhh,  
When I look at you and you smile at me  
We already know that  
You don't want anything that could disturb you  
You are not looking for anything special  
A guy like you,  
With that attitude,  
With his fancy clothes and his blue glance,  
He thinks he could steal my heart,  
Sorry, but no, no, no

I am not like you think ,  
I am not ideal, neither that superficial  
What are you trying to prove?  
Don't insist on what you will never have  
I am not like you think

When you get close to me and repeat  
You have seen an angel passing by  
While you are showing off with your friends  
The last girl you got with tonight  
All day, all night  
You only want to brag  
You never tell the truth  
You talk about just you  
A Romeo of gym and all yadda, yadda, yadda  
Nothing but pretending

I am not like you think ,  
I am not ideal, neither that superficial  
What are you trying to prove?  
Don't insist on what you will never have  
I am not like you think

I know you very well, I will not give in  
Goodbye, laralaralaaa  
You have to understand, you are going to lose this game

I am not like you think ,  
I am not ideal, neither that superficial  
What are you trying to prove?  
Don't insist on what you will never have  
I am not like you think ,  
I am not ideal, neither that superficial  
What are you trying to prove?  
Don't insist on what you will never have  
I am not like you think

I am not like you think,

I am not like you think.

No soy como tú crees – Ana Mena

Aaaaaaaaaaaaaaaaa  
Cuando te miro y me sonrías  
Sabemos que en realidad  
No quieres nada que te complique  
No buscas nada en especial  
Un chico como tú,  
Que muestre esa actitud,  
Con su ropa de marca y su mirada azul,  
Piensa que podrá, robarme el corazón,  
Sorry pero no no no

No soy como tú crees,  
no soy tan ideal, ni tan superficial  
¿Qué Intentas demostrar?  
No insistas en tener, lo que nunca tendrás  
No soy como tú crees

Cuando te acercas y me repites  
Que has visto un Ángel pasar  
Mientras presumes con tus amigos  
The last girl you got with tonight  
All day, all night  
Tú quieres solo impresionar  
You never Tell The truth  
You talk about just you  
Un Romeo de gimnasio y puro bla,bla,bla  
Cien por cien postureo

No soy como tú crees,  
no soy tan ideal, ni tan superficial  
¿Qué Intentas demostrar?  
No insistas en tener, lo que nunca tendrás  
No soy como tú crees

Te conozco bien, no voy a ceder  
Googbye, laralaralaaa  
Tienes que entender, que en este juego vas a perder

No soy como tú crees,  
no soy tan ideal, ni tan superficial  
¿Qué Intentas demostrar?  
No insistas en tener, lo que nunca tendrás  
No soy como tú crees  
no soy tan ideal, ni tan superficial  
¿Qué Intentas demostrar?  
No insistas en tener, lo que nunca tendrás  
No soy como tú crees

No soy como tú crees,

No soy como tú crees
